National Community Action Month Celebration

What is it?

Annual celebration acknowledging the success of a longstanding partnership between family, agency and community. CSRA EOA, Inc. has been committed to facilitating the movement toward self-sufficiency, self-reliance and self-determination by "leveraging resources, Empowering peOple, and Advocating to alleviate poverty in the CSRA" since January 1966. Despite experiencing budget cuts, shrinking resources, and increased demands for services during challenging economic times, CSRA EOA, Inc. has been remarkably successful assisting the low-income families, children, veterans, senior citizens, students, and every one of the residents of the Central Savannah River Area to achieve and maintain economic security.

We invite you to celebrate 50 years of partnership!
